

OCTOBER REPORT

# **Dekavva Foundation Activities & Updates**

# Family Support Initiatives

## **Family Artik:**

Supported relocation to a new home, resolving a work issue for the husband, and purchasing essential equipment for the household.

## **Family Gyumri:**

Provided hot water at home; organized hairdressing lessons for Gayane; offered psychological support for children and mothers. Two older boys are attending a robotics center, while two younger children are in kindergarten. The mother is employed as an assistant at the robotics center until her studies conclude.

# Platform Engagements & Partnerships

Also

## **ReArmenia Platform Presentation:**

Successfully presented the Dekavva Foundation's program on the ReArmenia platform to broaden awareness and engagement.

## **IMAST Membership:**

We are officially confirmed as members of the IMAST platform, further increasing our reach and potential for impact.

## **Easy Pay Terminals:**

Dekavva Foundation is now accessible through Easy Pay terminals, allowing supporters to easily find and donate to our fund.

## **Provincial Meeting & Housing Project Presentation:**

Held a meeting in a province to introduce and discuss our housing project, aiming to offer sustainable living solutions.

# Educational Programs & New Collaborations

Launched new educational programs and collaborations, including initiatives with the Parenting School, UN, and COAF, to enrich family support and community involvement.

## Humanitarian Aid

**Alaverdi Food Support:** Distributed essential food supplies to families in need in Alaverdi.

## Event Preparations

Preparing for two significant upcoming events on **November 16** and **November 17** to further our mission and raise awareness.

## Artistic Contributions

Managed inquiries related to the transportation of artists' canvases, ensuring smooth handling of artistic donations and contributions.
